SIR,

In forwarding herewith a copy of the Council resolution dated 7-12-1946, sanctioning the appointment of an Assistant Octroi Superintendent on Rs 80-5-100 with the usual conveyance allowance for a cycle to assist the Octroi Superintendent in his duties, I have the honour to state as follows -

At present, next to the Octroi Superintendent in the office, the Head Clerk is the seniormost official on Rs 50-2-60 and as the Octroi Superintendent will have to go round for inspections, etc , in the mornings, the Head Clerk has been attending to the work of assessing of goods for octroi duty during the absence of Octroi Superintendent on inspection duty , or leave He has also been empowered to verify the refund of bales in the absence of the Octroi Superintendent under a council resolution of 10-9-1932, eventhough this is specifically against Art 137 of the M A.M This practice has been found to be disadvantageous in more ways than one and it has also come in the way of the Head Clerk attending to his normal duties in the office, such as supervision of the work of other clerks, accounts correspondance, etc , This was also observed by the Special Auditor, who recommended that the Head Clerk of the Octroi Office should be divested of this work by the appointment of another official and the Head Clerk should be asked to attend to his normal duties It may also be mentioned here that the work of the

Octroi Superintendent himself has increased enormously and it is very difficult for one officer to manage the whole work. Considering all these aspects, proposals were placed before the Managing Committee on 10-10-1946 for appointing an Assistant Octroi Superintendent on Rs.5-10 with the usual conveyance allowance for a cycle and as already noted above, the proposal has been accepted by the Council on 7-12-1946.

In these circumstances, I request that sanction of Government may kindly be obtained for the resolution of the Council, the conveyance allowance attached to this post being fixed at Rs.10/- per mensem as in the case of public conveyance and Professional Tax Inspectors.

I have the honour to be,
Sir,
Your most obedient servant,

MUNICIPAL COMMISSIONER.

Forwarded with compliments.

Subject Creation of the post of an Assistant Octroi Superintendent on Rs 80-5-100 + 10 C A, in the Bangalore City Municipality

SIR

With reference to your letter No L 12338 dated 10-3-1947 on the above subject, I have the honour to state that the income derived from this source viz, Octroi & Toll and the expenditure of establishment thereunder during the last three years has been noted in the margin

Items	1943-44	1944-45	1945-46
	Rs	Rs	Rs
Octroi including storage license fees and deposits	6,69,384	7,99,982	8,21,337
Toll collections	63,507	60,011	64,059
Establishment including Dearness Allowance	32,382	35,642	40,813

2. The Assistant Octroi Superintendent will be entrusted with the duties of assessing Octroi on goods in the absence of the Octroi Superintendent or on inspection duty or when there is heavy rush of work

3 At present, this important work has been entrusted to the Head Clerk of the Octroi Office during the absence of the Superintendent but it is not desirable to entrust this important work to an official of the status of Head Clerk

4 Owing to the enormous increase of the work in the Octroi Department yielding an annual income of 9 lakhs of rupees, it is not possible for the Superintendent to exer-

P t o

timely supervision and control in addition to the assessment and other administrative duties over the work of the Octroi & Toll Inspectors as well as the other outdoor staff such as the Mutsaddies, Paigasties, detectives etc , with the result that there are chances of leakages of revenue

5 While the Octroi Superintendent confines his attention towards the inspection of the Ookads and Office administration in addition to the supervision of the work of the Assistant Superintendent and the Office Inspector, the Assistant Octroi Superintendent may be entrusted with the work of assessing the Octroi on dutiable articles, refunds and the receipt and issue of goods stored in the bonded ware-house This arrangement will, it is hoped go a long way to improve the efficiency of the Octroi Department and ultimately augment the Octroi Pevenue It will also enable the Head Clerk to devote his full attention towards his legitimate duties

6 The creation of this post does not necessarily involve an amendment of the existing bye-laws as the post now recommended is of a subordinate nature to the Octroi Superintendent who is solely responsible for the administration of the Octroi Department

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner
